

Privacy Policy

Event Creation Network Ltd (ECN) is committed to respecting privacy rights and to protecting personal information at all times. As such, we will ensure that all our activities involving personal information meet the letter and spirit of our Privacy Policy.

If you have any questions or concerns relating to ECN's site or would like to find out more about how we collect, store or use your personal data, please contact our data team on info@eventcreationnetwork.com

The personal information you provide is being collected for legitimate business purposes, which includes processing registrations or enquiries, keeping you informed about new events, products or offers and providing the best possible service to you. Whenever we process data for these purposes we will ensure that we always keep your personal data rights in high regard and take account of these rights.

The provision of this information is voluntary. However, if you do not provide the information requested, we may be unable to process your registration or enquiry. All information provided by you will be held in the strictest confidence.

We will only collect the personal information that is necessary for the purposes mentioned above. It includes First Name, Last Name, Job Title, Company Name, Phone, Email Address, Interest areas & preferences.

Event Creation Network is the sole owner of the information collected across all websites.

We do not rent or sell our customer e-mail lists. We may share your personal information with professional organisations (our event sponsors/exhibitors) to promote similar products and services related to your area of interest. If you do not consent to share your personal information with third party organisations please email our team on info@eventcreationnetwork.com

No list supplied by Event Creation Network may be used by anyone other than for the confidential use of the original mailer. All lists are seeded with decoy names to protect against abuse; violators will be prosecuted.

Event Creation Network contains some links to other sites. Please be aware that Event Creation Network is not responsible for the privacy practices of such other sites. This privacy statement applies solely to the information collected by Event Creation Network.

From time to time Event Creation Network may run surveys and promotions and may request information from users as part of these. Participation in these is entirely voluntary.

Event Creation Network will make every attempt to keep your personal data accurate, complete and up to date. If your personal information is incorrect, changes or if you no longer wish to receive information from Event Creation Network, we will endeavour to correct, update or remove your information as swiftly as possible. This can be done by e-mailing info@eventcreationnetwork.com.

If you no longer wish to receive reports, invitations or Marketing materials, you may opt-out of receiving these communications. You can do it by following the unsubscribe link placed in the footer of all our emails or, if by post, by returning the letter to us with "unsubscribe" marked upon it. Or you can simply contact info@eventcreationnetwork.com and ask to be unsubscribed.

Event Creation Network respects your right to privacy. We ensure all data is managed lawfully, fairly and transparently. We use third parties to also acquire data, we hold those parties to the same high standard. You have a right to be forgotten and can email us at info@eventcreationnetwork.com to request your personal data or any information related to privacy.

The personal data we hold is stored on Event Creation Network servers. Event Creation Network retains data for the duration of the customer's or member's business relationship with the Event Creation Network. For more information on where and how long your personal data is stored, and for more information on your rights of erasure, please contact the Event Creation Network team at info@eventcreationnetwork.com.

The internet is a global environment. The data that we collect from you may be transferred to, and stored at, international destinations, including destinations outside the European Economic Area ("EEA"). It may also be processed by international staff or data processors outside this area, who may be engaged in, among other things, the fulfilment of your order, the processing of your payment details and the provision of support services. Event Creation Network will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Notice.

If you do not consent to this transfer, storing or processing of your personal information please email info@eventcreationnetwork.com indicating your wishes.

If you have further questions about our privacy policy, please email Event Creation Network team on info@eventcreationnetwork.com
